Parking On The Sidewalk

Dear Parents/Guardians of D. Newlin Fell Elementary School,

Due to safety concerns, please do not park your car on the sidewalk when dropping off or picking up your child. Parking on the sidewalk creates an unsafe pathway for students, parents, and staff. We trust that all parents will support this safety measure. If there are any questions, comments, concerns, please contact the main office. As always, thank you for your continued support.

Sincerely,

Mr. Ashe, Principal
