Dear School District of Philadelphia Parents and Guardians,

The Philly School Experience Survey for Parents & Guardians is open now! [The Philly School Experience Survey](#) is one of the best tools we have to learn how parents and guardians feel about their children's experiences in schools. The survey results help us see what's working and where more support is needed to support schools in developing successful students. Your responses help us measure progress toward the [Board of Education's Goals & Guardrails](#) and improve our schools and services in various ways including – informing annual school plans and funding priorities, clarifying the community resources that students and families need, and more.

What You Should Know

- **The survey is short.** It takes about 5-10 minutes to complete.
- **The survey is anonymous.** Parents and guardians *do not* need to enter a student ID number to take the survey.

You can take the Philly School Experience Survey [here](#).

Parents and guardians who take the survey online can enter a raffle for the chance to win a \$25 electronic gift card! Each household can take the survey one time for each school that your children attend.

The survey closes on June 14, 2024.

If you need help or have questions, email the survey team at schoolsurveys@philasd.org. To learn more about the Philly School Experience Survey and see last year's results, visit philasd.org/PSES.

I encourage you to take advantage of this opportunity to let your voice be heard. Thank you for speaking up as your child's biggest champion, and partnering with us in helping all students imagine and realize any future they desire!

In partnership,

Tony B. Watlington Sr., Ed.D.
